## MEET THE ARTIST: **DANNY H.**

*Painting is just another way of keeping a diary.*  
- Pablo Picasso

For over 25 years Danny has enjoyed expressing himself through his art at PARC's Fine Arts Studio & Gallery. His passion is painting which and his memories and travels surround the room in canvases creating Danny's diary.

With professionally trained art instructors and volunteers he is able to learn new artistic techniques and knowledge about art. In his leisure time Danny and his mother travel. He says, "I like to travel all over to see nice places and people." While traveling Danny has gained inspiration and experience that he translates to the blank canvases.

While working at the Fine Arts Studio & Gallery, Danny takes full advantage of his time and resources. He says, "I am so happy to be here and painting keeps me busy." Throughout the day you can find Danny working on a painting inspired by great artist, like Van Gogh, Picasso and Cezanne.

Danny says "I appreciate everyone from the bottom of my heart. I am happy to show my paintings to everyone - it makes me smile." We thank Danny for sharing a piece of his artistic diary and his wonderful talent.
